

# 100kWh solar energy storage cabinet for construction sites

## Overview

This compact, IP54-rated air-cooled cabinet integrates MPPT solar charger, bidirectional PCS inverter, STS, EMS, and high-voltage LiFePO<sub>4</sub> battery in a single industrial-grade enclosure. Highjoule's 100kWh Outdoor Cabinet Series integrates the battery, BMS, EMS, modular PCS, and fire protection system into a compact, weatherproof unit. Its modular design ensures flexible deployment for various industrial and commercial applications. Join us as a distributor! Sell locally — Contact. PowerCore 50kW/100kWh Energy Storage System, engineered for seamless, solar-driven resilience across homes, farms and industrial sites. 20A PV input current per string, compatible with all PV modules. With a modular PCS design and front-access outdoor cabinet, it enables reliable power supply, fast deployment, and easy expansion in both. The modular energy storage integrated cabinet can achieve efficient and safe design of building blocks from 100 KWH small energy storage unit to MWH large-scale energy storage power station, solving the industry common problems such as low system safety, high parallel loss rate, short system life. Introducing our 50kW / 100kWh high-voltage outdoor energy storage solution designed for commercial and industrial (C&I) applications. This system uses advanced and safe lithium iron phosphate (LiFePO<sub>4</sub>) battery technology to provide you with reliable, efficient and long-lasting energy management. This 100 kWh LiFePO<sub>4</sub> system delivers 6000+ cycles (16+ years) with IP54 weatherproofing for extreme environments (-10°C~55°C). Air-cooled operation maintains 92% efficiency at 35dB—60% quieter.

## Article Content

### 100kW Air Cooling Commercial and Industrial Energy

This Sunway 100kW/215kWh on-grid and off-grid solar system, designed for utilities and business energy storage, enables a reliable power supply and fast deployment.

### 100kW 256kWh Off-Grid ESS | LiFePO4 Energy Storage

100kW/256kWh off-grid LiFePO4 outdoor cabinet with 100kW three-phase inverter and EMS. Proven energy storage solutions for remote sites. Request a quote.

### SolaX ESS-AELIO | C& I Energy Storage ESS Cabinet

The SolaX ESS-AELIO is a high-performance C& I energy storage system featuring AFCI protection and IP55 rating. 50kW, 60kW are available, 100/200kWh.
